

Providing Voluntary and Community Support

Ryedale Venue Directory 2011

Cost £1.20

This venue directory has been produced by Ryedale Voluntary Action with thanks to funding from the North Yorkshire County Council Community Fund. Ryedale Venue Directory

The need for this venue directory was identified by the Rural Voice project based at RVA.

This project gives a free advisory service to help groups access support for their organisational needs as well as facilitating the representation of their views and issues.

The project, which is funded by the Big Lottery, employs a part time Rural Network Officer, Maggie Farey. For more information about the project, Maggie can be contacted on 01653 600120 or email maggie@rva-cvs.org.uk

Feedback from hall committees through the projects' activities indicated that they did not have an easy cheap way to market their venues and many halls are struggling to maintain an income from renting out their space and providing refreshments and other resources.

In addition to this, contacts and members of RVA tell us that it is very difficult for groups to book venues in Ryedale as they are unable to find contact details and don't know what facilities are on offer, like the availability of a projection screen or provision of refreshments.

The small fee for the venue directory will support the production of the 2012 venue directory. The venue directory will be printed annually but will be updated on a quarterly basis with the updated version available to download free of charge from the RVA website www.ryedaleva.org.uk

If your venue is not included in this directory and you would like to be, please contact: Sarah Richardson on 01653 600120 or email sarah@rva-cvs.org.uk

When Booking a Venue

When booking your venue, please check that all the facilities that you require are available at the time of booking.

This directory was correct at time of print, but RVA can not guarantee that all the details are still correct.
